## ATTACHMENT IN SUPPORT OF AFFIDAVIT FOR SEARCH WARRANT

## TRAINING RECORD OF SCENT DETECTION CANINE TEAM

Officer C. Scott &amp; K-9 "Skye"

The facts tending to establish the forgoing grounds for issuance of a search warrant are as follows:

1. The affiant is Officer CATHERINE SCOTT, who has been employed as a certified Police Officer for the State of Alaska with the Ted Stevens Anchorage International Airport Police Department since November 2016. I attended the following training; Alaska Law Enforcement Training Academy in Sitka, Alaska (1,009 hours), which included 8 hours of controlled substance identification, 16 hours of search and seizure and 8 hours of search warrants. I have been assigned as the Anchorage Airport Police K-9 Handler since November 2017. The affiant completed a 200 hour Drug Detection Handling course through Kesseburg Canine Training in New Market, AL with K-9 "Skye" in October through November 2017.
2. K-9 "Skye" is a female Belgian Malinois. K-9 "Skye" completed a 200 hour Single Purpose Drug Detection K-9 Academy on November 10, 2017. K-9 "Skye" is certified in the detection of controlled substances: **Cocaine, Heroin, and Methamphetamine** on November 10, 2017 with Kesseburg Canine Training and on November 17, 2017 with NNDDA.
3. From October 10, 2018 (most recent certification) to present, K-9 SKYE has been commanded to sniff for the presence of the odor of controlled substances approximately 139 times during scent detection training and has indicated on 139 of the training substances when commanded. K-9 "Skye" performs blank training searches where no controlled substances are present and also trains in a variety of environments and conditions including luggage, vehicles, boxes, residences, offices, warehouses, schools, and open areas as part of her maintenance training.
4. SPECIFICS:

On 2/21/19, at about 1100 hours, I was requested by US Postal Inspector Lonborg to conduct a K-9 Sniff with K9- SKYE on a suspect parcel at USPIS Anchorage Domicile. I was briefed about the suspicions regarding the parcel/package. The Parcel was placed in the breakroom located at the USPIS Anchorage Domicile. I conducted a K-9 drug detection sniff with K-9 SKYE in the area containing the parcel, a Priority Mail, bearing tracking number 9505 5106 0809 9043 1665 48. On 2/21/19 at about 1145 hours, K9 SKYE displayed "Alert" behavior and then "Indicated" at the parcel for the presence of the odor of controlled substances emitting from parcel.
